

Here's the Answer to "Why the 'Eazon' Overcoat?"

Because it fills a need especially urgent this Fall—a stylish overcoat that is not freakish.

Because it embodies comfort, style and distinctiveness not found in any other overcoat.

Because it is a staple style and not a passing fad, which will die in a few months.

Because at our price—

WOMEN WHO ARE ALWAYS TIRED

May Find Help in This Letter.

Swan Creek, Mich.—"I cannot speak too highly of your medicine. When through neglect or overwork I get run down and my appetite is poor and I have that weak, languid, always tired feeling, I get a bottle of Lydia E. Pinkham's Vegetable Compound, and it builds me up, gives me strength, and restores me to perfect health again. It is truly a great blessing to women, and I cannot speak too highly of it. I take pleasure in recommending it to others."—Mrs. ANNIE CAMERON, R.F.D., No. 1, Swan Creek, Michigan.

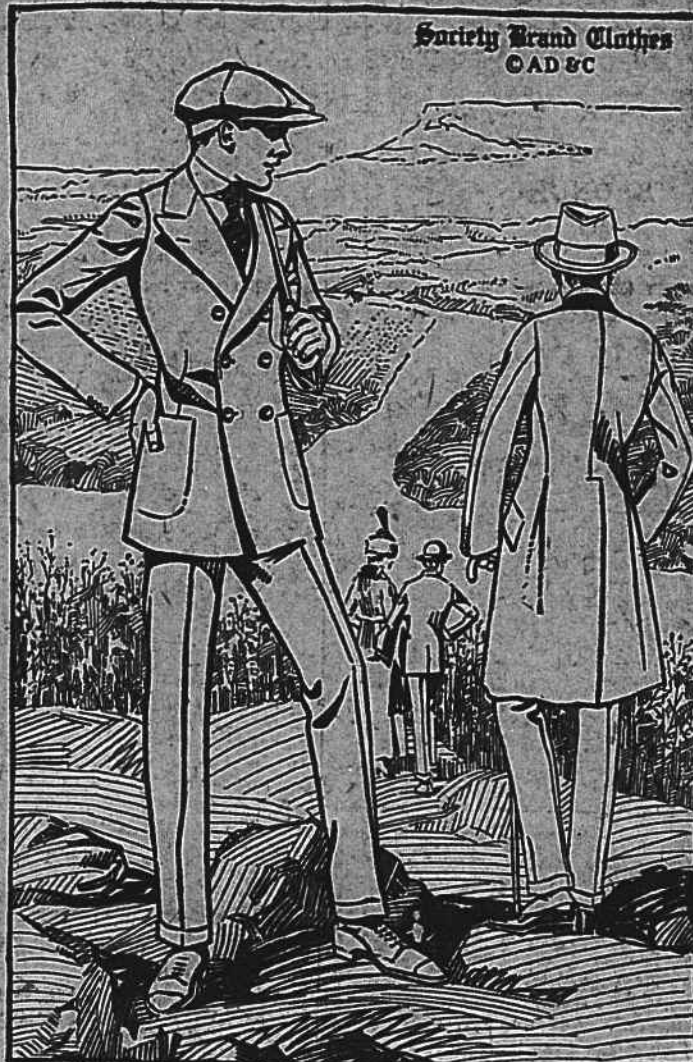

Another Sufferer Relieved. Hebron, Me.—"Before taking your remedies I was all run down, discouraged and had female weakness. I took Lydia E. Pinkham's Vegetable Compound and used the Sanative Wash, and find today that I am an entirely new woman, ready and willing to do my housework now, where before taking your medicine it was a dread. I try to impress upon the minds of all illing women I meet the benefits they can derive from your medicines."—Mrs. CHARLES ROWE, R.F.D., No. 1, Hebron, Maine.

If you want special advice write to Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

WATER CIRCUS

Is Stranded on a Sand Bar in the Mississippi River for Eight Days.

MUSCATINE, Ia., Oct. 8.—On its way here the Rice and Dore circus was marooned on a sand bar in the Mississippi river and was nearly starved to death.

Far removed from the course of travel and hidden from the mainland by thick forest, the water nymphs sported themselves for eight days on the waves of the Mississippi, yet unable to swim to any point where relief could be secured. On the seventh day not a bite of food remained.

Members of the band then built a raft and floated to Port Louisa, where some provisions, mostly apples and potatoes, were secured.

Later a rise in the river floated the circus craft and the southern trip was resumed.

TOO MUCH DISTRESS

Judge Gives Up After Hearing Nearly Ten Thousand Divorce Suits.

LOS ANGELES, Oct. 8.—Because the sad plight of some of the parties to divorce suits has got on his nerves during the past six months, Judge Charles Monroe, who has presided over the divorce court for several years, has asked other judges to relieve him. He has sat in nearly 10,000 divorce cases.

"It is so impossible to provide for women with large families of children out of the wages of the husband and there is so much distress coming under by observation that I feel I would very much like to make a change," said the judge.

A gold engagement ring, set with a diamond and containing an inscription, was recently found tightly fastened around the neck of a partridge shot near Gaschowitz, Bohemia.

In the human being the left lung is rather smaller than that on the right side. An ant can carry a grain of corn ten times the weight of its own body, while a horse and a man can carry a burden only about equal to their own weight.
